Dear Joshua:

I wanted to thank you for participating in the tax policy meeting on July 13th. I appreciate your input as Congress works to provide tax relief for American families during this session.

I have enclosed a summary of the most recent tax relief legislation passed by the House on July 22nd, as well as my own statements on this bill. Please review this and provide any thoughts or comments you might have regarding this legislation.

If you have any questions, or would like further information, please contact James Davenport in my Oklahoma City office at 942-3636. Again, I am grateful for the insights you can provide as I continue the work of making our tax laws more simple and fair.

Very Truly Yours,

ERNEST J. ISTOOK, JR.
